

Who are the
BotSmiths?

The *BotSmiths* started as a Snohomish County Technology club known as *Byte by Byte*. Now the members are applying skills learned in 4-H to participate in their Sixth-**FIRST™** Robotics competition. Comprised of students and mentors, the *BotSmiths* look forward to the upcoming competition season.

FIRST's Vision

"To transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders."

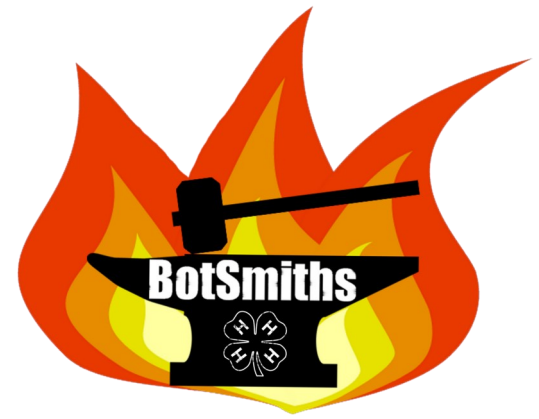

Dean Kamen, Founder

Why Sponsor?
"To Make the Best Better" and support our FRC team!

FRC and 4-H give our team an opportunity to:

Challenge themselves to achieve their goals in a problem solving environment.

Prepares students with positive habits and skills that will last a lifetime.

Succeed through trial and error as well as teamwork.

Persevere through robot building from conception to competition.

How to Help

Botsmiths depends on community support for resources to build a successful robot. Our budget is \$25,000 to design & fabricate a robot and participate in two local competitions. We also sponsor 2 First Lego Leagues and 1 Jr. FLL Team

Please contact us if you are able to make a financial donation; provide materials, tools, equipment, parts, a work facility, or other resources including becoming a volunteer or mentor.
